Here you go. I think most of the substantive materials were from R9. Some of my comments are editorial (the storm water portion was a dense read!). Exide is much talked about & I made edits based on some of the discussions I was privy to.

Both he and Kelly are on travel. I'll take a look in the meantime.

Importance: High

Jessica,

This is the briefing material for Administrator McCarthy's meeting tomorrow with Hilda Solis. Liel had sent it to Kelly Zito yesterday in case Jared had any flags but we have not heard back as of yet. I have to print this for the Administrator's book now, but could you please show it to Jared? We can always update with any changes or flags he has.

Thanks,

Andy

Hi Liel –

Mark Rupp and Jack Bowles have reviewed and approved the above. Mark is planning to join the Administrator, unless you tell him she'd prefer to meet with Supervisor Solis "one on one."

Has Solis' staff been notified that the meeting is scheduled for 12:30 p.m.?

Thanks for this. Looks good.

I've got it on my calendar for 12:30pm.
